“ I was so sorry to hear about Diane. I remember her from Illahee House days and how she loved it there. And she always had crocheting or knitting going on. A very creative and talent young lady she was. And Virginia, she couldn't have asked for a better mom who was always there for her all of her life.

“ I too was a neighbor of Diane. She was so full of love and life. Always had a boyfriend and made comments to me about how come I didn't have one....So funny!! Loved this lady and her wonderful mom. Condolences to the family and Diane has just knitted a hat for the BIG GUY!

“ I was Diances neighbor in Bellingham 1992-94...she was a character and I enjoyed her immensely. She would tell me about her boyfriend, play basketball, introduced me to her bird (who's name seemed to change when there was a change in a boyfriend) and knitted a hat for me, (which I still have).
When she would carry her bag of yarn and other bags of stuff to /from work, Virginia would question why she was carrying all that 'stuff'. I traveled heavily on business so I was frequently in airports. I remember seeing all these other people, with their 'numerous bags' of 'stuff' they were toting from one place to another. Really, no different than Diane :)
She was raw, opinionated...and a most memorable woman. Faith
